## **RE-EXAMINATION APPROVAL FORM**

## **College of Agriculture and Life Sciences**

A re-examination in one course in which the final grade is C- or below may be authorized when the student was enrolled in the course during the final term of his/her senior year and a satisfactory re-examination in the course **<u>qualifies the student for graduation</u>**. A re-examination request must be made and the exam be completed by the student as soon as possible after the first examination.

Re-examination approval by the instructor, the student's department head, and the student's academic dean is required, with consideration given to class performance and completion of assigned work.
